COMPANY PROFILE

Gulf Concreting Products was established in 2003 and Crown Concreting Products in 2005 to carry out the marketing and sales of concrete durability additives and waterproof membranes for the construction industry in the Gulf region.

Gulf and Crown Concreting Products represent a number of international companies for various Gulf countries. Among the represented companies are Surtreat International USA, Mix UK England, English Indian Clays Limited India, Whitaker Chemicals England, and Stirling Lloyd England. The products include migrating corrosion inhibitors - Surtreat TPS; Integral corrosion inhibitor and Calcium Nitrite SCI-S; Polypropylene fibres - Fiberon for concrete crack Control; Metacon Metakaolin, Microsilica, Fly-Ash; Permare polysulphide epoxy membranes for portable water structures and Eliminator/Integritank; methyl methacrylate (MMA) membranes for waterproofing bridge decks, basements, sewage tanks and oil storage tanks.

Gulf and Crown Concreting Products client list includes all the major readymix concrete companies and many of the major contractors in the Gulf region and in particular the UAE. Among the clients for the products are Dubai Municipality, Abu Dhabi Municipality, Abu Dhabi Water and Electricity Department, ADNOC, ADCO, Qatar Petroleum, Oman Ports Authority, The Department of Social Services-Abu Dhabi, Dubai Electricity and Water Authority, Nakheel and many other private and government authorities in the region with the numbers increasing all the time.

Gulf and Crown Concreting Products have offices in Fujairah, Abu Dhabi and Dubai. The companies also have warehousing in Abu Dhabi and Dubai and have a dedicated locally based sales and marketing staff.

Gulf and Crown Concreting Products have frequent visits to the region on a regular basis from the principle companies Technical Engineers.

As well as sales and marketing Gulf and Crown Concreting Products also assist their clients and their customers with technical support and advice.

LIST OF MATERIALS AVAILABLE

• CONCRETE ADMIXTURES AND ADDITIVES

1. **Mix UK Fiberon Polypropylene Fibres**
Available in various lengths and diameters to prevent plastic shrinkage cracks in concrete and mortar.
2. **Migrating Corrosion Inhibitor Surtreat TPS V**
Surtreat TPS V Migrating Corrosion Inhibitor to ASTM G 109 to prevent corrosion of rebar in concrete.
3. **Metacon Metakaolin**
Highly Reactive Metakaolin (HRM) which acts as a pozzolan and improves the physical properties of concrete, in particular the strength and the RCP.
4. **Mix UK Sterling Calcium Nitrite Special**
Calcium Nitrite in Aqueous Solution with neutral set to ASTM G 109 to prevent corrosion of rebar in concrete.
5. **Ground Granulated Blastfurnace Slag to BS 6699**
6. **Microsilica**
Densified Microsilica to ASTM C 1240-995 and Norwegian standard NS 3045.
7. **Mix UK Polypropylene Structural fibres in various lengths and shapes.**

LIST OF MATERIALS AVAILABLE

- **STIRLING LLOYD'S WATERPROOF MEMBRANES**

1. **Stirling Lloyd – Eliminator**

Bridge deck waterproofing membrane for the protection of steel and concrete.

2. **Stirling Lloyd – Permare**

High performance waterproofing membrane for reservoir lining and tanking. Specifically designed for use in the gulf regions climatic condition.

3. **Stirling Lloyd – Integritank**

Structural waterproofing, tunnels, podium decks, sewage tank lining, basement and roof waterproofing.

Stirling Lloyd UK is the world's leading manufacturer of high quality waterproof membranes.

PARTIAL LIST OF CUSTOMERS

1. Abu Dhabi Industrial Supply
2. ADNOC
3. Advanced Concrete Technology (ACT)
4. ADSSC Abu Dhabi
5. Al Falah Readymix Factory L.L.C.
6. Al Gurg Fosroc L.L.C.
7. Al Hamed Development & Construction L.L.C.
8. Al Jaber Group of Establishment
 - Al Jaber Building Division
 - Al Jaber Energy Services
 - Al Jaber Roads Division
7. Al Kawadir Bldg. Mat. Tr.
8. Al Satari
9. APEX Precast Products Industries (L.L.C.)
10. Arabian Mix Co. L.L.C.
11. Archirodon Construction
12. Aussie Trading
13. Bahwan Engineering Co.
14. Concrete Technology (L.L.C.)
15. Consolidated Contractors International Company S.A.L. (L.L.C.)
16. Dafco Readymixed Concrete
17. Degussa Construction Chemicals UAE L.L.C.
18. Dodsall Pte. Limited
19. Dubai Readymix Concrete (L.L.C.)
20. Fosam Company Limited
21. Fosroc International Ltd.
22. Galfar Engineering & Contracting L.L.C.
23. GASCO
